PLAN DECLARATION

I understand that the above elections will remain in effect until the last day of the Plan Year for which they are effective and will continue in effect indefinitely beyond that Plan Year unless I make an election change permitted under the Plan. I understand that I may change my elections during the Plan Year only if (i) I experience a "status change", as defined under the Plan, and if my change in elections is consistent with that "status change", (ii) I exercise a Special Enrollment Period Right (as described in the Notice of Special Enrollment Periods below), or (iii) I qualify (under applicable law, as determined by the Plan Administrator) to make another election change because of certain changes in cost or coverage of a benefit option, or for certain other reasons. I understand that the cost of a benefit option that I have elected under the Plan may change from one Plan Year to the next and I hereby agree that my payroll deductions will automatically change accordingly unless I submit a new Election Form during the appropriate annual election period to change or terminate that coverage. I also understand, during a Plan Year, if there is a change in the cost of a benefit option that I have elected, the Employer may automatically increase the payroll deductions, if any, I am required to make per pay period to pay for that benefit option. I understand further that, except to the extent that I am permitted to make a change under the Plan, the payroll deduction elections I have made above will continue in effect notwithstanding any changes in the features or coverage offered under the benefit options I have elected above.

I understand that my employer may modify my benefit elections if appropriate to insure that the Plan complies with the terms of the Plan and the requirements (including tax-qualification requirements) of applicable law and that, subject to the requirements of applicable law or any applicable insurance contract, my employer retains the right to amend or terminate coverage under a benefit option. Also, I understand that the employer may modify my elections for health benefit options if required to do so by a Qualified Medical Child Support Order that requires me to provide health coverage for a dependent.

NOTICE OF SPECIAL ENROLLMENT PERIODS

If you are declining enrollment in the Plan's health coverage options for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in the Plan's health coverage features if you or your dependents lose eligibility for that coverage (or if the employer stops contributing towards your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

To request special enrollment or obtain more information, contact your Human Resources representative.
