

Nogales Unified School District No. 1

May 13, 2019.

Dear NUSD Override Committee:

I want to thank you again for participating and playing a critical role on the override committee in the best interest of NUSD and our students.

Thank you as well to those of you who were able to attend the Governing Board meeting on May 13, 2019 where the override resolution was approved by the Governing Board calling for an override election for November 5, 2019. The committee's recommendation has been considered by the Governing Board and this process has been completed. The NUSD Override Committee has also been officially dissolved by the Board and I want to thank you once again for being part of this critical initiative for NUSD.

The committee will be reformulated and working as an independent committee. There will be further communication and information provided in late August or at the beginning of September of 2019.

With sincere appreciation,
