The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, www.meritain.com or call (866) 300-8449. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary or call Meritain Health, Inc. at (866) 300-8449 to request a copy.

| Important Questions  | Answers   | Why This Matters:  |
|--|---|--|
| What is the overall deductible?                                      | For participating <u>providers</u> : \$0<br>For non-participating <u>providers</u> :<br>\$900 individual / \$2,700 family   | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .  |
| Are there services covered before you meet your deductible?          | Yes. For participating providers: All services are covered before you meet a <u>deductible</u> . For non-participating <u>providers</u> : Flu, pneumonia and shingles immunizations, <u>emergency room</u> care ( <u>emergency services</u> only) and <u>emergency medical</u> <u>transportation</u> are covered before you meet your <u>deductible</u> . | This plan covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>www.healthcare.gov/coverage/preventive-care-benefits/.</u>  |
| Are there other <u>deductibles</u> for specific services?            | No.   | You don't have to meet <u>deductibles</u> for specific services.   |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | For participating <u>providers</u> :<br>\$6,350 individual / \$12,700 family<br>For non-participating <u>providers</u> :<br>Unlimited   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| What is not included in the <u>out-of-pocket limit</u> ?             | Premiums, balance billing charges and health care this plan doesn't cover.  | Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> <u>limit</u> .  |
| Will you pay less if you use a <u>network provider</u> ?             | Yes. See www.aetna.com/docfind/custom /mymeritain or call (800) 343- 3140 for a list of participating providers.  | This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?           | No.   | You can see the <u>specialist</u> you choose without a <u>referral</u> .   |

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
